PETITION FOR CLARIFICATION PURSUANT TO KRS 278.400
ON BEHALF OF WARREN COUNTY WATER DISTRICT,
SIMPSON COUNTY WATER DISTRICT,
AND BUTLER COUNTY WATER SYSTEM, INC.

I. INTRODUCTION

In its Order dated March 29, 2005, the Commission prescribed private fire protection rates for the customers served by each of these three water districts (Appendices A, B, and C). These water districts do not object to the rates prescribed in Appendices A, B, and C. These water districts do, however, request a clarification from the Commission for service sizes which are smaller and larger than the service sizes contained in Appendices A, B, and C.

II. ARGUMENT

In the second supplemental testimony of Carryn Lee, Mrs. Lee in Table 7 set forth the cost of service monthly charges for service for nine service sizes (1, 1.5, 2, 3, 4, 6, 8, 10, and 12 inches). (See Table 7 of the Carryn Lee Second Supplemental Testimony attached as Exhibit A). In Table 7 of Exhibit J of the brief on behalf of these three (3) water districts dated April 16, 2004 filed herein, Alan Vilines provided cost of service tables for eight service sizes in the Simpson County Water District. (See Table 7 of the Simpson County Water District Cost-of-Service Study attached as Exhibit B). Finally, in Table 7 of Exhibit K of the brief on behalf of these three (3) water districts, Mr. Vilines also provided cost of service allocations for the eight service sizes in the Butler County Water District. (See Table 7 of the Butler County Water District Cost-of-Service Study attached as Exhibit C).

Once again, these three water districts do not object to the rates prescribed by the Commission in Appendices A, B, and C of its Order. Rather, these three (3) water districts request that the Commission expand the prescribed schedules to include rates for all service sizes which have been previously calculated herein using the methodology accepted by the Commission and are contained in the record. These three (3) districts request that Appendix A, Appendix B, and Appendix C be clarified to read as follows:
